

Green Bay Tactical Miniatures Gaming Club Newsletter

Vol #1 Issue #1

Nov 2005

Welcome to the first newsletter of the Green Bay Tactical Miniatures Gaming Club.. We are a group of like-minded individuals who enjoy participating in tactical miniature wargaming from all historical and fictional time periods. The goal of our club is to promote miniature gaming of all kinds including:

- historicals (Johnny Reb, WWII, ancients)
- fantasy (Warhammer; Lord of the Rings, etc.)
- sciencefiction(40K, Warmachine, etc).

Members of the club share the love of the hobby by helping each other, sharing their skills and experiences with terrain building and painting and other aspects of the hobby.

Regular historical miniature games are held weekly on Saturday evenings at Gnome Games, 2160 Ridge Road, Green Bay (920) 499-4263. Gaming sessions begin at 6pm and continue until 11pm.

Informal Warhammer 40K events are held throughout the day on Mondays and Thursdays at Gnome Games.

The Tactical Miniatures Club is not part of Gnome Games, but we support them with our purchases, special orders of paints, brushes, glue and so forth. Gnome Games in turn supports us by providing a clean, comfortable place to engage in our games. Gnome Games has been very supportive of our Club and we look forward to a long and productive relationship with them.

The Club's monthly schedule can be found on-line at www.gnomegames.com and in printed form at the store.

Fun for ALL Ages !

The Club welcomes new members and encourages anyone interested to come in and participate. A person need not own any miniatures to join in the fun, we have an abundant supply of painted figures that may be borrowed until a person decides what army they would like to assemble as their own, be it Romans, 40K Space Marines or some other army. The main purpose is to enjoy each other's company and have FUN !

“So what are you waiting for? Come on in and join the fun of miniature gaming!” – John Royal, president

MISSION STATEMENT

“To promote this fellowship of military history through the promotion and education of wargaming. Our aim is to create interest through competitive games, study groups, workshops. Our goal is growth through fun and sharing.”

-Bob Rondau, Master of Arms
