

The Pencil Box Soldier

On the Sci-Fi Front:

WH 40K Escalation League

Brian's "Ultra Marines" are out in the lead followed closely by Eric's "Black Templars". Lurking in the shadows are Scott's "Fallen Angels" and Greg's "Dark Eldar" wait.....

In the pipeline, Mordheim! Interested players need to talk with Scott Hebel about building a warband.

Speaking of Scott, CONGRATS on having the best painted miniature in Black Orc Games worldwide painting contest!! -JR

On the Historical Side:

Operation Overlord the 20mm

World War II game system has a strong following, the battles just keep getting more interesting as new troops and equipment enter the field of combat. Coming up... and interesting variation of the game, via Scott, that includes ZOMBIES ! -JR

DBA Mania

DBA=(DeBellis Antiquitatis)

DBA continues to grow with new armies, Incas and new Persians have shown their hands. Rumors have been heard of Medieval Scots and Early Vikings looking for worthy opponents. -JR

Johnny Reb

Dale, aka "Mr. Johnny Reb" continues to put on wonderful American Civil War battles. He recently tried his hand at a Gettysburg scenerio, "Devils Den and Little Round Top"

Re-live the Civil War using these standard US gaming rules, which are easy to learn, but tough to master. Try this 15mm scale game. -JR

Wargamers Guild

Our Wargamer's Guild meetings have changed to the second Wednesday of the month. Stop by and give us your input. One of the reasons for the wargamer's guild is to help each other. "Cant' find a uniform guide for those pesky WWII Romanians?" "Need some help painting or building terrain?" That's what we are here for, to offer support and help where we can. -JR

Board Games?

Sure, you betcha, we do board games too! Naval War and the venerable, Axis and Allies are but two that we've tried. If you have an interesting board game you want to share, bring it on by and we can give it a go. -JR
